PROCEEDINGS

OF THE

GENERAL SOCIETY OF THE CINCINNATI.

CANTONMENT OF THE AMERICAN ARMY
On Hudson's River, ... 10th May, 1783.

PROPOSALS for establishing a Society, upon Principles therein mentioned, whose Members shall be Officers of the American Army, having been communicated to the several Regiments of the respective Lines, they appointed an Officer from each, who, in conjunction with the General Officers, should take the same into Consideration, at their Meeting this Day, at which the Honorable Major-General Baron de Steuben, the senior Officer present, was pleased to preside.

The Proposals being read, fully considered, Paragraph by Paragraph, and the Amendments agreed to, Major-General Knox, Brigadier-General Hand, Brigadier-General Huntington, and Captain Shaw were chosen to revise the same, and prepare a Copy to be laid before this Assembly, at their next Meeting, to be holden at Major-General Baron de Steuben's Quarters, on Tuesday the 13th instant.

TUESDAY, 13th May, 1783.

The Representatives of the American Army being assembled, agreeably to Adjournment, the Plan for establishing a Society, whereof the Officers of the American Army are to be Members, is accepted, and is as follows, vizt. :

THE INSTITUTION

OF THE

SOCIETY OF THE CINCINNATI.

It having pleased the Supreme Governor of the Universe, in the Disposition of Human Affairs, to cause the Separation of the Colonies of North America from the Domination of Great Britain, and after a bloody Conflict of Eight Years to establish them free and independent sovereign States, connected by Alliances founded on reciprocal Advantage with some of the Great Princes and Powers of the Earth.

To perpetuate, therefore, as well the Remembrance of this Vast Event as the mutual Friendships which have been formed under the Pressure of common Danger, and in many Instances cemented by the Blood of the Parties, the Officers of the American Army do hereby in the most Solemn Manner associate, constitute, and combine themselves into one Society of Friends, to endure as long as they shall endure or any of their Eldest Male Posterity, and in failure thereof the Collateral Branches, who may be judged worthy of becoming its Supporters and Members.

The Officers of the American Army, having generally been taken from the Citizens of America, possess high Veneration for the Character of that illustrious Roman, Lucius Quintius Cincinnatus, and being resolved to follow his Example by returning to their Citizenship, they think they may with Propriety denominate themselves The Society of the Cincinnati.

The following Principles shall be immutable, and form the Basis of The Society of the Cincinnati.

An Incessant Attention to preserve inviolate those

exalted Rights and Liberties of Human Nature for which they have fought and bled, and without which the high Rank of a Rational Being is a Curse Instead of a Blessing.

An unalterable Determination to promote and cherish between the respective States that Union and national Honour so essentially necessary to their happiness, and the future Dignity of the American Empire.

To render permanent the cordial Affection subsisting among the officers; this Spirit will dictate Brotherly Kindness in all things, and particularly extend to the most substantial Acts of Beneficence, according to the Ability of the Society, towards those Officers and their Families who unfortunately may be under the Necessity of receiving it.

The General Society will, for the Sake of frequent Communications, be divided into State Societies, and these again into such Districts as shall be directed by the State Society.

The Societies of the Districts to meet as often as shall be agreed upon by the State Society, those of the State on the fourth day of July annually, or oftener if they shall find it expedient; and the General Society on the first Monday in May annually, so long as they shall deem it necessary; and afterwards at least once in every three years. . . . . At each Meeting the Principles of the Institution will be fully considered, and the best Measures to promote them adopted.

The State Societies will consist of all the Members resident in each State respectively; and any Member removing from one State to another is to be considered, in all Respects, as belonging to the Society of the State in which he shall actually reside.

The State Societies to have a President, a Vice-President, Secretary, Treasurer, and Assistant Treasurer, to be chosen annually, by a Majority of Votes, at the State Meeting.

Each State Meeting shall write annually, or oftener if necessary, a circular Letter to the other State Societies,

noting whatever they may think worthy of Observation respecting the good of the Society or the general Union of the States, and giving Information of the Officers chosen for the current year; Copies of these Letters shall be regularly transmitted to the Secretary-General of the Society, who will Record them in a Book to be assigned for that purpose.

The State Society will regulate everything respecting itself, and the Societies of its Districts, consistent with the general Maxims of the CINCINNATI; judge of the Qualifications of the Members who may be proposed, and expel any Member who, by a Conduct inconsistent with a Gentleman and a Man of Honor, or by an Opposition to the Interests of the Community in general, or the Society in particular, may render himself unworthy to continue a Member.

In order to form Funds which may be respectable and assist the unfortunate, each Officer shall deliver to the Treasurer of the State Society one Month's Pay, which shall remain forever to the use of the State Society, the Interest only of which, if necessary, to be appropriated to the Relief of the Unfortunate.

Donations may be made by Persons not of the Society, and by Members of the Society, for the express purpose of forming permanent Funds for the use of the State Society, and the Interest of these Donations appropriated in the same manner as that of the Month's Pay.

Monies, at the Pleasure of each Member, may be subscribed in the Societies of the Districts, or the State Societies, for the Relief of the unfortunate Members, or their Widows and Orphans, to be appropriated by the State Society only.

The Meeting of the General Society shall consist of its Officers, and a Representation from each State Society in

number not exceeding five, whose Expenses shall be borne by their respective State Societies.

In the General Meeting, the President, Vice-President, Secretary, Assistant Secretary, Treasurer, and Assistant Treasurer-Generals, shall be chosen to serve until the next Meeting.

The circular Letters which have been written by the respective State Societies to each other, and their particular Laws, shall be read and considered, and all Measures concerted which may conduce to the general Intendment of the Society.

It is probable that some Persons may make Donations to the General Society, for the Purpose of establishing Funds for the further Comfort of the Unfortunate; in which Case such Donations must be placed in the hands of the Treasurer-General, the Interest only of which to be disposed of, if necessary, by the General Meeting.

All the Officers of the American Army, as well those who have resigned with Honor after three Years' Service in the Capacity of Officers, or who have been deranged by the Resolutions of Congress upon the several Reforms of the Army, as those who shall have continued to the End of the War, have the Right to become Parties to this Institution; provided that they subscribe one Month's Pay, and sign their Names to the general Rules in their respective State Societies; those who are present with the Army immediately; and others within Six Months after the Army shall be disbanded, extraordinary Cases excepted; The Rank, time of Service, Resolution of Congress by which any have been deranged, and place of Residence must be added to each Name; and as a Testimony of Affection to the Memory and the Offspring of such Officers as have died in the Service, their eldest Male branches shall

have the same Right of becoming Members as the Children of the actual Members of the Society.

Those Officers who are Foreigners, not resident in any of the States, will have their Names enrolled by the Secretary-General, and are to be considered as Members in the Societies of any of the States in which they may happen to be.

And as there are and will at all times be Men in the respective States, eminent for their Abilities and Patriotism, whose Views may be directed to the same laudable Objects with those of the CINCINNATI, it shall be a Rule to admit such Characters as honorary Members of the Society for their own Lives only: Provided always, that the number of honorary Members in each State does not exceed a Ratio of one to four of the Officers or their Descendants.

Each State Society shall obtain a List of its Members, and at the first annual meeting the State Secretary shall have engrossed on Parchment two Copies of the Institution of the Society, which every Member present shall sign; and the Secretary shall endeavor to procure the Signature of every absent Member; one of these Lists to be transmitted to the Secretary-General, to be kept in the Archives of the Society, and the other to remain in the hands of the State Secretary.

From the State Lists the Secretary-General must make out at the first general Meeting a complete List of the whole Society, with a copy of which he will furnish each State Secretary.

The Society shall have an ORDER by which its Members shall be known and distinguished, which shall be a Medal of Gold, of a proper Size to receive the Emblems, and suspended by a deep blue Ribbon, two Inches wide, edged with White, descriptive of the Union of America and France, viz.: The Principal Figure to be CINCINNATUS,

three Senators presenting him with a Sword and other military Ensigns; on a field in the background, his Wife standing at the Door of their Cottage, near it a Plough and Instruments of Husbandry; round the whole, OMNIA RELIQUIT SERVARE REMPUBLICAM. On the reverse: Sun rising, a City with open Gates, and Vessels entering the Port; Fame crowning Cincinnatus with a Wreath inscribed VIRTUTIS PRÆMIUM. Below: Hands joined, supporting a heart with the Motto; ESTO PERPETUA. Round the whole, SOCIETAS CINCINNATORUM INSTITUTA A. D. 1783.

The Society, deeply impressed with a sense of the generous Assistance this Country has received from France, and desirous of perpetuating the Friendships which have been formed and so happily subsisted between the Officers of the allied Forces in the prosecution of the War, direct that the President-General transmit as soon as may be, to each of the Characters hereafter named, a Medal containing the Order of the Society, viz.: His Excellency the Chevalier de la Luzerne, Minister Plenipotentiary; His Excellency the Sieur Gerard, late Minister Plenipotentiary; their Excellencies the Count D'Estaing, the Count de Grasse, the Count de Barras, the Chevalier de Touches, Admirals and Commanders in the Navy; His Excellency the Count de Rochambeau, Commander-in-Chief; and the Generals and Colonels of his Army, and acquaint them that the Society does itself the honor to consider them Members.

Resolved, That a Copy of the aforegoing Institution be given to the Senior Officer of each State Line, and that the Officers of the respective State Lines sign their Names to the same in manner and form following, vizt.:

We the Subscribers, Officers of the American Army, do hereby voluntarily become Parties to the aforegoing Institution, and do bind ourselves to observe and be governed by

the Principles therein contained; for the Performance whereof we do solemnly pledge to each other our sacred Honor.

Done in the Cantonment on Hudson's River in the Year 1783.

That the Members of the Society, at the Time of subscribing their Names to the Institution, do also sign a draft on the Paymaster-General in the following Terms: the regiments to do it regimentally, and the Generals and other Officers not belonging to Regiments each for himself individually; vizt.:

To John Pierce, Esquire,
Paymaster-General to the Army of the United States.

Sir: Please pay to , Treasurer for the State Association of the Cincinnati, or his Order, One Month's Pay of our several Grades respectively, and deduct the Same from the Balance which shall be found due to us on the final Liquidation of our Accounts, for which this shall be your Warrant.

That the Members of the several State Societies assemble as soon as may be, for the Choice of their President and other Officers, and that the Presidents correspond together, and appoint a Meeting of the Officers who may be chosen for each State, in order to pursue such further Measures as may be judged necessary.

That the General Officers and the Officers delegated to represent the several Corps of the Army subscribe to the Institution of the General Society, for themselves and their Constituents, in the Manner and Form prescribed.

That General Heath, General Baron de Steuben, and General Knox be a Committee to wait on His Excellency the Commander-in-Chief, with a Copy of the Institution, and request him to honor the Society by placing his Name at the head of it.

That Major-General Heath, second in command in this Army, be and he hereby is desired to transmit Copies of the Institution with the Proceedings thereon to the Commanding Officer of the Southern Army, the Senior Officer in each State from Pennsylvania to Georgia inclusive, and to the Commanding Officer of the Rhode Island Line, requesting them to communicate the same to the Officers under their several Commands, and to take such Measures as may appear to them necessary for expediting the Establishment of their State Societies, and sending a delegation to represent them in the first General Meeting, to be holden on the First Monday in May, 1784.

The Meeting then adjourned without day.

CANTONMENT OF THE AMERICAN ARMY, 19th June, 1783.

At a Meeting of the General Officers, and the Gentlemen delegated by the respective Regiments, as a Convention for establishing the SOCIETY OF THE CINCINNATI, held by the request of the President, at which were present: Major-General Baron de Steuben, President; Major-General Howe, Major-General Knox, Brigadier-General Patterson, Brigadier-General Hand, Brigadier-General Huntington, Brigadier-General Putnam, Colonel Webb, Lieutenant-Colonel Huntington, Major Pettengill, Lieutenant Whiting, Colonel H. Jackson, Captain Shaw, Lieutenant Hull, Lieutenant-Colonel Maxwell and Colonel Cortlandt, General Baron de Steuben acquainted the Convention that he had, agreeably to their Request at the last Meeting, transmitted to His Excellency the Chevalier de la Luzerne, Minister Plenipotentiary from the Court of France, a Copy of the Institution of the Society of the Cincinnati, with their Vote respecting His Excellency and the other Characters therein mentioned, and that His Excellency had returned an Answer, declaring his Acceptance of the same,

and expressing the grateful Sense he entertains of the Honor conferred on himself and the other Gentlemen of the French Nation by this Act of the Convention.

Resolved, That the Letter of the Chevalier de la Luzerne be Recorded in the proceedings of this day, and deposited in the Archives of the Society, as a Testimony of the high Sense this Convention entertains of the Honor done to the Society by his becoming a Member thereof.

The letter is as follows:

[Translation.]

"PHILADELPHIA, 3d June, 1783.

"SIR: I have received, with much Gratitude, the Institution of the respectable Order that the Officers of the American Army have founded; if Courage, Patience, and all the Virtues that this brave Army have so often displayed in the Course of this War, could ever be forgotten, this Monument alone should recall them.

"I dare assure you, Sir, that all the Officers of my Nation that you have been pleased to admit in your Society will be infinitely honored by it. I pray you to be fully persuaded I feel for my part in the most lively Manner the Honor the Officers of the Army have done me in deigning to think of me upon this Occasion.

"I expect to pay my Respects to His Excellency General Washington as soon as the Definitive Treaty shall be signed, and I shall have the Honor of assuring them personally of my respectful Acknowledgment.

"I seize with great Eagerness this Occasion of expressing to you the Sentiments of the most perfect and most respectful Attachment with which I have the honor to be, Sir,

"Your very humble and very obedient Servant,

"LE CHEVALIER DE LA LUZERNE.

"To Baron de Steuben,

"Major-General, in the service of the United States, Headquarters."

The Baron having also communicated a Letter from Major L'Enfant, enclosing a Design for the Medal and Order, containing the Emblems of the Institution.

Resolved, That the bald Eagle, carrying the Emblems on its Breast, be established as the Order of the Society, and

that the Ideas of Major L'Enfant respecting it and the Manner of its being worn by the Members be adopted. That the Order be of the same size and in every other Respect conformable to the said design, which for that purpose is certified by the Baron de Steuben, President of this Convention, and to be deposited in the Archives of the Society, as the Original from which all Copies are to be made. . . . . Also, that Silver Medals, not exceeding the Size of a Spanish milled Dollar, with the Emblems as designed by Major L'Enfant and certified by the President, be given to each and every Member of the Society, together with a Diploma on Parchment, whereon shall be impressed the exact Figures of the Order and Medal, as above mentioned, anything in the Original Institution respecting Gold Medals to the Contrary notwithstanding.

Major L'Enfant's letter is as follows:

[Translation.]

"PHILADELPHIA, 10th June, 1783.

"MY GENERAL: Immediately on receiving your Letter of the 20th May, which I met by Accident at the post-office on the 7th Instant, I set myself about the Plan of the Medal. I send you both faces of the Design, which I have made large so that you may better judge of them. In the Execution they can be reduced to a convenient Size, which, on Account of the precision required in the Design, ought not to be less than a Dollar, the Subject being too complex to admit of its being properly detailed in a smaller Compass.

"I have not made it oval, agreeably to your Desire, as such a form is not proper for a Medal; besides it can be done in the Execution, if the Idea should be persisted in of having the Order in that form, to which, however, I think any other preferable; I also believe and hope that you will be persuaded of this, and endeavor to convince the Gentlemen of it who compose the Committee for forming the Institution, and to whom I beg you to communicate the following Observations.

"A Medal, whether round or oval, is considered in the different States of Europe only as a Reward to the Laborer and the Artist,

or as a Sign of a manufacturing Community or a Religious Society. Besides the abusive Custom prevailing particularly in Germany and Italy, of sending to France Mountebanks, Dancers, and Musicians ornamented in this Manner, renders it necessary to distinguish this Order by a Form which shall be peculiar to itself, and which will answer the two-fold purpose of honoring those invested with it, and making itself respected for its Simplicity by such as may be in a Situation minutely to examine its different parts.

"Not that I suppose one form or another will change the Opinion of a Republican people accustomed to think, I only say that in an Institution of this Sort the Main Design should be to render it respectable to every Body, and that it is only by appealing to the Senses that you can engage the Attention of the common People, who have certain habitual prejudices which cannot be destroyed. A Gentleman already invested with any European Order would be unwilling to carry a Medal, but if flattered by receiving a Mark of Distinction from a respectable Society he should do it, the manner of it would by no Means increase the Value of the Order. On the contrary, giving it a new and particular Form will be adding a Recommendation to its real Value, and engage those invested with it to wear it in the same Manner as their other military Orders, which is the surest means of putting it at once upon a footing with them.

"The bald Eagle, which is peculiar to this Continent, and is distinguished from those of other Climates by its white Head and Tail, appears to me to deserve Attention.

"I send you two Essays which I have made, and desire one of them may be adopted instead of the Medal. In one I make the Eagle supporting a Star with thirteen points, in the Centre of which is the Figure of the Medal, with its Inscription as well in front as on the reverse. A Legend might be added in the Claws, and go round the Neck of the Eagle, with a particular Inscription, or the Contour of the Medal transferred there. In the other I have made simply the Eagle supporting on its Breast the Figure of the Medal, with a Legend in his Claws and about the Neck which passes behind and sustains the Reverse. I would prefer the latter, as it does not resemble any other Order and bears a distinct Character; nor will it be expensive in its execution. The first device, although more complex, would not be so dear as People might imagine, especially if the Execution of it should be committed to skillful persons, which would not be the Case any

more than with the Medal; but by sending it to Europe, where it would not take up a great deal of Time, nor be so expensive, as to trust the Execution of it here to Workmen not well acquainted with the business.

"A Medal is a Monument to be transmitted to Posterity, and consequently it is necessary that it be executed to the highest degree of perfection possible in the Age in which it is struck. Now to strike a Medal well is a Matter that requires practice and a good Die, and as there is not here either a Press proper for this Work nor People who can make a good die, I would willingly undertake to recommend the Execution of the Medal, the Eagle, or the Order, to such Persons in Paris as are capable of executing it to Perfection.

"So far from proposing to change the oval Medal into an Eagle, on which should be impressed the Medal, I do not pretend to say Medals cannot be made. On the contrary, my Idea of the Subject is that Silver Medals should be struck at the Common Expense of the Society, and distributed one to each Member, as an Appendage to a Diploma of Parchment, whereon it would be proper to stamp the Figure of the Medal, the Eagle, or the Star in its full Dimensions, and properly colored; enjoining on the Members to conform to it, though leaving them the Liberty, provided it be at their own Expense, of having it made of such Metal and as small as they please, without altering any of the Emblems. It seems to me by no means proper that the honorary Members should wear the Order in the same Manner as the original Members; it would be necessary that they should wear the Medal, the Star or the Eagle round their Necks, and the Original Members at the third Buttonhole.

"These Remarks, I beg you, my General, to have translated and submitted to the Gentlemen concerned. I shall be obliged to you to let me know the Issue of this Letter and their Decision upon it.

"I have, etc., L'ENFANT.

"N. B. The Head and Tail of the Eagle should be Silver, or enamelled in white, the Body and Wings Gold, the Medal on its Breast and Back enamelled in the same Color as the Legend—Sprigs of Laurel and Oak might be added in the Wings and enamelled in green—the Star should be pointed in Gold or enamelled in blue aud white; those who would be at the Expense

might, instead of white, have Diamonds. The Ribbon, as is customary in all Orders, should be watered."

Resolved, That the thanks of this Convention be transmitted by the President to Major L'Enfant for his Care and Ingenuity in preparing the aforementioned designs, and that he be acquainted that they cheerfully embrace his Offer of Assistance, and request a Continuance of his Attention in carrying the Designs into Execution, for which purpose the President is desired to correspond with him.

Resolved, That His Excellency the Commander-in-Chief be requested to officiate as President-General until the first General Meeting to be held in May next.

That a Treasurer-General and a Secretary-General be balloted for, to officiate in like manner.

The Ballots being taken, Major-General McDougall was elected Treasurer-General, and Major-General Knox Secretary-General, who are hereby requested to accept said Appointments.

Resolved, That all the Proceedings of this Convention, including the Institution of the Society, be Recorded from the Original papers in his possession, by Captain Shaw, who at the first Meeting was requested to act as Secretary, and that the same signed by the President and Secretary, together with the Original papers, be given into the Hands of Major-General Knox, Secretary-General to the Society, and that Captain North, Aide-de-Camp to the Baron de Steuben and acting Secretary to him as President, sign the said Records.

The Dissolution of a very considerable part of the Army, since the Last Meeting of the Convention, having rendered the Attendance of some of its Members impracticable, and the Necessity for some temporary Arrangements previous to the first Meeting of the General Society being so strikingly obvious, the Convention found itself constrained to make

those before mentioned, which they have done with the utmost diffidence of themselves, and relying entirely on the Candor of their constituents to make Allowance for the Measure. The principal Objects of its Appointment being thus accomplished, the Members of this Convention think fit to dissolve the same, and it is hereby dissolved accordingly.

PRINCIPLES GOVERNING

THE

STATE SOCIETY OF THE CINCINNATI

OF PENNSYLVANIA

In the admission of Members, as shown by the Minutes of the Society.

Only persons representing (as set forth in the Institution) Original Members of the Society, or officers of the Continental Line who died in the Service, are eligible.

Each Original Member can have but one representative.

Each Original Member should be represented; therefore, where the right to represent several Original Members would otherwise merge in one person, the Society prefers to keep these rights separate, and to admit a distinct representative in each right, where it can be done in accordance with the Institution.

Where an Original Member failed to contribute to the Treasury of the Society as directed by the Institution, his representative, when admitted to membership, must make good the amount due by the Original Member, together with interest at the rate of six per centum per annum from the time the original contribution was due to the date of the representative's admission to the Society, or pay a sum of money to be named by the Society.

Members of other State Societies of the Cincinnati seeking to associate themselves, by transfer, with the State Society of Pennsylvania, are required to bring themselves within the interpretation of the Institution as set forth in these principles.

When a resident of Pennsylvania desires to be admitted to the State Society of Pennsylvania to represent an Original Member of another State Society, he must be first admitted to such State Society and then transferred.

Stated Meeting Standing Committee, United States Hotel, Wednesday, April 27, 1853.

The following was read:

"PHILADELPHIA, February 3, 1853.

"DEAR SIR: I desire to be elected a member of the Pennsylvania State Society of the Cincinnati, or rather to be transferred from the Maryland State Society of which I am a member, my residence being now in this city.

"Yours very respectfully, GEO. W. HARRIS.

"To the Secretary of the Penna. State Society of the Cincinnati."

(Endorsed.)

"Mr. Harris produced a regular certificate from the Maryland Society of the Cincinnati, signed by the Officers thereof in due form, being an exact copy of the original certificates, and just such an one as our own Society should possess.

"JAMES GLENTWORTH,

"March 26, 1853. Secy. State Soc. Cin. of Penna."

Meeting of the Society, American Hotel, Chestnut Street, opposite Independence Hall, Monday, July 4, 1853.

"Harris L. Sproat and Charles J. Pugh, having been appointed tellers, report that George W. Harris of the Mary-

land State Society of the Cincinnati is received as a member of this Society."

Letter from the Secretary of the Maryland State Society, February 6, 1887, states "that Geo. W. Harris was elected to the Maryland Society of the Cincinnati on July 4th, 1852. He duly qualified, but I find no record of his transfer to the Pennsylvania Society. . . . He claimed as 'nephew and nearest male relative of John Montgomery, a member.' John Montgomery was elected in 1817, 'claiming as a brother of Major Sam. Montgomery of Penna. State Society of the Cincinnati.'"

Note 29.

At the meeting, 19 April, 1876 (of the State Society of the Cincinnati of South Carolina), the Standing Committee reported upon the application of Mr. E. D. McCullough, of Pennsylvania, for election as a member of the South Carolina Society, he deriving his right of membership from a former member of that Society, by the rules of which he would be entitled to admission. By the rules of the Pennsylvania Society he could not be admitted on that right, but such Society desired his admission to the South Carolina Society, so that through it he could be admitted to the Pennsylvania Society. The committee reported that they knew of no rule which prevented a citizen of another State from being admitted into the South Carolina Society. And that as the Pennsylvania Society desired it, they recommended a reference to a committee to ascertain the right of Mr. McCullough by descent.

The Society elected Mr. E. D. McCullough as a member.—*Publication of State Soc. Cin. of So. Car.*, Charleston, S. C., 1880.

NOTE 35.

Report of Subcommittee.

"JUNE 14, 1865.

"The Committee appointed to consider the claims of Charles S. Peaslee, now residing in this city, to be admitted a member of the Society, respectfully report that Mr. Peaslee applies as the son of Zaccheus Peaslee, a Lieutenant in Hazen's Corps; that Lieut. Peaslee's name is one of the signatures of the Institution by that Corps, and is also recorded by the Secretary General among those officers who are foreigners not resident in any of the States, and are to be considered members in any of the States in which they may happen to be. In a note by the Secretary General, it is stated that these gentlemen, the officers of Hazen's Corps, not being returned as belonging to any State, are included under the general term Canadians. Also, that they subscribed an order for one month's pay drawn on the Quartermaster Genl.

"Lieut. Peaslee was an inhabitant of Haverhill, Mass., but removed early to Burlington, Vermont. It does not appear that he became a member of the Massachusetts State Society, or any other, nor is there any evidence that the month's pay was actually paid.

"As a precedent, the admission of Rev. Charles Augustus Morris, in 1816, into this State Society may be cited. It was in right of his father, Dr. John Morris, First Partizan Legion (Armand's). The descent, &c., were sufficiently attested, and a certificate signed by Genl. Washington, in which it is expressly stated that Dr. Morris had complied with the regulations, was received as proof that the usual payment had been made. There had been a previous note on this subject, in which Dr. Morris referred to the papers in the Secretary General's possession as presumptive evidence that it had been

made. The fact that, under these circumstances, the certificate signed by Genl. Washington was alluded to, seems to show that the subscription to the order on the Quartermaster Genl. for one month's pay was not considered at that time proof that the payment was actually made.

"The accompanying declaration of Mr. David S. Brown establishes sufficiently the relationship of the applicant to the original member, but the Committee are of opinion that the month's pay of a Lieutenant of Infantry twenty-six $\frac{60}{100}$ should be required with interest from Jany 1784 = 155 $\frac{88}{100}$.

"The Committee are of opinion that this payment would complete the right of the applicant to membership, and beg leave to recommend to the Standing Committee, when it is made, to report to the Society that Mr. Charles S. Peaslee is entitled to admission into the Society.

"H. L. Sproat,
"Thos. McEuen."

Report not accepted by the Standing Committee.

Applicant elected a member July 4, 1865.

The Treasurer's account has the following entry:

Pursuant to publick notice the Society met in the State house in Philadelphia on Tuesday the 4th of July 1809 at ten A. M.

. . . .

On motion of Col. Johnston, seconded by Col. Campbell,

Resolved, That the sum of Five hundred dollars be appropriated out of the accruing interest of the year 1809–10, to erect a monument to the memory of Gen. Anthony Wayne, formerly a member of this Society; and that the same be applied under the direction of Col. Johnston, Major Jackson, and Mr. Binney.

. . . .

Thirty-fourth Anniversary of American Independence, July 4th, 1810.

Pursuant to publick notice the Society met at the State house in Philadelphia on Wednesday the 4th day of July 1810 at 10 A. M.

. . .

The Committee to whom was entrusted the execution of a resolve of the 4th July 1809 for the erection of a monument to the Memory of the late Major General Anthony

Wayne made report, That they had, in conformity with the resolution, caused to be prepared a plain white marble monument, with the following inscription on the face: "In honor of the distinguished military Services of Major General Anthony Wayne, and as an affectionate tribute of respect to his memory, this Stone was erected by his companions in arms the Pennsylvania State Society of the Cincinnati, July 4th 1809. Thirty-fourth anniversary of the independence of the United States of America, an event which constitutes the most appropriate eulogium of an American soldier and patriot."

On the reverse the inscription is as follows: "Major General Anthony Wayne was born at Waynesborough in Chester County, State of Pennsylvania, A. D. 1745. After a life of honour and usefulness he died in December 1796, at a military post on the Shore of Lake Erie, Commander in Chief of the Army of the United States. His military achievements are consecrated in the history of his country, and in the hearts of his countrymen. His remains are here deposited." The monument is of white marble, and of simple but elegant structure.

. . . .

On motion of Major Jackson, seconded by Colonel Robinson,

Resolved, That the Committee who have superintended the monument of Genl. Wayne be instructed to erect the same over his remains where they now lie in the cemetery of Radnor Church; and that they make such arrangements as to time and manner of erecting the same as they shall think proper.

. . . .

Thirty-fifth Anniversary of American Independence July 4th 1811.

Pursuant to publick notice the Society met in the State House on Thursday the 4th of July at 9 A. M.

. . . .

The Committee appointed to superintend the erection of the monument to the memory of Genl. Anthony Wayne made report in writing that they had performed that duty; whereupon it was moved and seconded that the Treasurer be directed to pay out of the funds of the Society the small excess beyond $500 which had been expended for the monument and its erection; and this motion being put, was unanimously agreed to.

Monument to the Memory of General George Washington.

Thirty-fourth Anniversary of American Independence.

Pursuant to publick notice the Society met in the State house in Philadelphia on Wednesday the 4th day of July 1810 at 10 A. M.

On motion of Charles Biddle, seconded by Major Jackson, the following preamble and resolution were unanimously adopted.

"To establish a permanent memorial of their respect for the memory of the late father of his country, General George Washington, by the erection of a monument in the city of Philadelphia, has long been the wish of those who are desirous of perpetuating the recollection of his virtues.

"Anxious to promote the execution of a work which shall at once do justice to the subject and confer credit upon the State which erected it,

"This Society resolves, That a Committee be appointed to prepare a plan for raising, by subscription, such sums of money as they shall deem sufficient for the purpose of erecting a Monument to the Memory of General Washington. That the plan when prepared shall be sub-

mitted to the Standing Committee, and when approved by them be carried into effect.

"That Major Lenox, Judge Peters, Major Jackson, Mr. Biddle, and Mr. Binney be a Committee for the above purposes, and that they also be authorized, under the direction of the Standing Committee, when the subscriptions have been completed, to procure a proper site for the monument and have it erected."

In furtherance of this intention of the Society, the design of Rudolf Siemering, of Berlin has been chosen from among others submitted in competition.

BENEVOLENT AND PATRIOTIC APPROPRIATIONS.

THE benevolent and patriotic appropriations made by the State Society of the Cincinnati of Pennsylvania, from the organization of the Society to the first day of January, 1891, amount to $84,640.08.

Meeting of the Standing Committee, "La Pierre House," April 24, 1861.

"*Resolved*, That the dinner usually given on the fourth day of July be omitted the present year."

Meeting of the Standing Committee, "La Pierre House," Wednesday, October 23, 1861.

"By resolution, on the 24th day of April last, the Standing Committee voted an appropriation of five hundred dollars towards uniforming and arming the men who have inlisted or may inlist in the cause of the country, to be expended at the discretion of the President. At the subsequent meeting of the Committee, held on the 12th day of June, the President reported having remitted the amount of the appropriation to the Governor of the Commonwealth, and the correspondence on the subject which appears on minutes of that date. From the records of the Legislative proceedings it appears that the Governor communicated to the Legislature the act of this Standing Committee and asked for instructions. Whereon the Legislature passed a resolution directing that the amount so donated by the Standing Committee, in the name of and on behalf of The

State Society of the Cincinnati of Pennsylvania, be expended in the purchase of Regimental Colors, to be borne by the State Troops now in arms for the defence of our common country. It also further appears that in pursuance of said resolution, His Excellency, Andrew G. Curtin, Governor of the Commonwealth of Pennsylvania, did, on the 10th day of September last, present to the Pennsylvania Troops in the camp on the Potomac in front of the City of Washington, the Regimental Flags, purchased by the donation of the Standing Committee, announcing the source whence they came."

Meeting of the Standing Committee, "La Pierre House," Wednesday, June 11, 1862.

"*Resolved,* That four hundred dollars, instead of being expended for a dinner, be appropriated for the benefit of the sick and disabled soldiers of the Army, and that an order be drawn on the Treasurer, in favor of the Secretary, for this amount, to be disbursed by him in the name of The State Society of the Cincinnati of Pennsylvania, as follows: One hundred dollars to the Ladies Aid Society of Philadelphia, Hospital Department; one hundred dollars to the Volunteer Refreshment Saloon, Hospital Department; one hundred dollars to the Cooper Shop Refreshment Saloon, Hospital Department; fifty dollars to Christian Street Hospital; fifty dollars to Twenty-fourth and South Streets Hospital."

Meeting of the Standing Committee, "La Pierre House," Wednesday, June 10, 1863.

"*Resolved,* That in consequence of the continued distracted state of the country, the usual annual dinner given on the 4th day of July be dispensed with this year."

Meeting of the Society, "La Pierre House," Saturday, July 4, 1863.

"*Resolved,* That the sum of $500 be appropriated by the Society to the relief of sick and disabled soldiers, and to facilitate a proper distribution, that three orders be drawn, one in favor of James Schott for $200, for the Hospital Department of the Ladies' Aid Society; one in favor of Wm. G. Caldwell for $200, of which $100 for the Special Relief, Woman's Branch of Sanitary Commission, and $100 for the Woman's Branch, Sanitary Commission; and one in favor of Geo. W. Harris for $100, for The Christian St. Hospital; the several amounts to be handed over to these Associations and receipts taken therefor, in the name of 'The State Society of the Cincinnati of Pennsylvania.'"

Meeting of the Standing Committee, "La Pierre House," April 27, 1864.

"*Resolved,* That in lieu of a dinner on the 4th day of July prox., which is hereby dispensed with, owing to the still continued troubles of our Government, we hereby appropriate $300 to The Great Central Fair for the Sanitary Commission—a commission well known to be composed of men who have given themselves without fee or reward to a patriotic work, to be disposed of by them for the relief of the sick and wounded soldiers of our army.

"*Resolved,* That the President, at his discretion, allow any document of the Society of interest to be exhibited at the Great Central Fair, and that the imperfect Fac Similes be given to be disposed of for the above purpose."

Meeting of the Society, "La Pierre House," July 4, 1864.

"*Resolved*, That the Society heartily approve the several appropriations of the Standing Committee of a portion of the funds of the Society for the use of sick and disabled soldiers, including the $300 given to the Great Central Fair for the Sanitary Commission, believing that the Standing Committee, in the present unhappy condition of the country, by such action, not only performed a duty as Representatives of a Society instituted by military men, but did honor to the Society and subserved its best interests."

Meeting of the Society, "La Pierre House," July 4, 1865.

The sum of two hundred dollars appropriated to the "Soldiers' Home," which is about to be instituted for the benefit of those who have been wounded and otherwise disabled in the service of the country.

Meeting of the Society, "Aldine Hotel," Friday, July 4, 1879.

"*Resolved*, That The State Society of the Cincinnati of Pennsylvania cordially responds to the appeal of the Valley Forge Centennial Association, by subscribing the sum of $250 for the patriotic object of the Association."

Meeting of the Standing Committee, "Hotel Bellevue," Saturday, November 12, 1881.

"*Resolved*, That the Treasurer be authorized to appropriate the contingent fund of the Society, amounting to $200, towards the expenses of a dinner given by the Society to the French Delegation to the Yorktown Centennial, Oct. 27th."
